Hello! I'm Tina and I want to speak about the seasons.

There are four seasons in a year: spring, summer, autumn and winter.

In spring the weather is warm. We can play outside and we can see beautiful flowers. Spring is my favourite season. I love it.

In summer the weather is hot. We can play outside and we go swimming. The school is closed and we are on holiday. My family and I go to my uncle's farm every year in summer.

In autumn the weather is cool. The leaves change color from green to orange or red and they fall from the trees. Many birds go away.

In winter the weather is cold. It can snow and we can make a snowman. I love winter because Christmas is my favourite festivity.
